

## **P R E S S   R E L E A S E**

### **CP Feeds will buy Maize, Soya Beans, Sunflower and Cotton Seeds through ACE this 2011 season**

Agricultural Commodity Exchange for Africa (ACE) would like all suppliers interested in supplying CP Feeds with Maize, Soya Beans, Sunflower and Cotton Seeds to contact ACE.

ACE will facilitate contracts up to 2500 MT to supply CP Feeds every week. ACE is inviting all suppliers to participate in weekly trade sessions every Tuesday from 10 am to 12 pm, starting Tuesday the 19<sup>th</sup> April, 2011 at ACE offices in Area 28, Lilongwe.

If you are not able to attend the trade sessions in Lilongwe, you may contact ACE or have a registered ACE broker contract on your behalf.

ACE will facilitate the transport of many of these contract and therefore invite transporters, big and small, to submit transport offers to ACE. Price should be in MT per KM.

Please contact Daniel Chilima on 0993 446 840 or 01 710 204/304 for more information if you are interested in participating

***ACE is a non-profit agricultural commodity exchange facilitating trade in the physical spot and forward markets. ACE has designed an online trading platform where market participants can post offers to sell and Bids to buy; a "Bid Volume Only" (BVO) System where buyers can ask suppliers to submit an offer to sell; and an electronic warehouse receipts system to be impemented this marketing season.***
